AMEEK BHALLA

EXPERIENCE (INDUSTRY) 2021 **Cureus Journal of Medical Science** Statistical Editor (Medical Science) 2020 · Evaluated the study design and statistics of more than 300 manuscripts for the medical journal Cureus as part of an international team 2020 Cactus Communications Pvt. Ltd. Editor (Molecular Biology) 2017 • Customized manuscripts written by authors from more than 10 developing countries to enhance their acceptance by top-tier journals **EXPERIENCE** (ACADEMIA) Institute of Genomics and Integrative Biology 2021 Senior Research Fellow (Computational Genomics) 2019 · Designed, executed, and analyzed quantitative genetic experiments, containing 896,000 data points, to infer the heritability of metabolic traits Graduate Research Fellow (Computational Genomics) 2019 • Implemented mixed models to handle nested data, increasing statistical 2015 power by 1000% · Invented techniques for mass production and processing of biological replicates, resulting in the publication of two research articles Research Project Manager (Diabetes Genetics) 2015 · Operationalized a government project (CSIR, India) by managing 2012 procurement, troubleshooting protocols, and training five new colleagues • Evaluated 50 candidate genes for diabetes using 200 transgenic constructs in Drosophila Indian Institute of Science 2012 Research Assistant (Alzheimer Genetics) 2007 · Pioneered a low-cost technique for measuring long-term memory of classical conditioning in Drosophila **EDUCATION** Institute of Genomics and Integrative Biology 2021 PhD, Computational Biology/Genomics 2015 University of Delhi 2007 Postgraduate Diploma, Biochemical Technology 2006 **University of Delhi** 2006 BSc (Hons), Biomedical Sciences 2003 PEER-REVIEWED PUBLICATIONS Paternal inheritance of diet induced metabolic traits correlates 2020 with germline regulation of diet induced coding gene expression Teltumbade M, Bhalla A, and Sharma A; Genomics, 112:567-573

Transgenerational inheritance of cold temperature response in

Karunakar P, Bhalla A, Sharma A; FEBS Letters, 593:594-600

2019

Drosophila

ROLE AT INFOSYS

Consultant,

DATA SCIENCE SKILLS

Languages

R,

Markdown
